## SUN-LITE POOLS

Would you like to be able to dive into your own pool for a quick dip or leisurely swim any time you desire? A pool can be in almost everyone's backyard with Sun-Lite Pools' low, low starting price of \$1595, and lowered maintenance costs. The new type pool construction that Carl Guy, owner of Sun-Lite Pools, has chosen requires one-fourth the normal maintenance. The interior finish is permanent. It never needs refinishing. The special new heating unit cuts heating costs, helping to keep maintenance costs at a minimum year 'round. A Sun-Lite Pool requires only 10 days to complete, so if you call Sun-Lite Pools today, you still will have many weeks of good swimming weather to enjoy. The number is TE4-0024. If you would like to see one of their lovely pools completed, stop at their offices, located at 246 East Carson in Torrance, where you can see for yourself how lovely a Sun-Lite Pool is. A Sun-Lite Pool can be built exactly like the one you will see, or in any shape or size you would like. At Sun-Lite Pools, you will find a full line of additional equipment. Stop in today.

## CURLY'S BOATS

The blue, blue sky above, the dancing waves beneath the hull, the fresh ocean breeze and spray in your face—what could be more exhilarating and at the same time relaxing than a sail on any lake or ocean? There is great justification for the increasing popularity of boating. Nothing can give quite so much wholesome enjoyment to the whole family. Curly's Boats, owned by Curly and Dorothy Williams, is the "Home of the Sailboat." They carry the largest line of sailboats in this entire area. They specialize in class sailboats. If your interests run to water skiing instead of sailing, they make custom-built outboards and marine ski boats. They are authorized dealers for West Bend outboard motors. In addition, they carry marine paint, hardware and parts to maintain your boat. Whatever your interests on the water, stop in to see the excellent selection of boats at Curly's Boats, at 18512 Hawthorne Blvd., Torrance, or just give them a call, FR 2-5388.

## ATOM PRECISION PRODUCTS

Major aircraft producers in this area are very familiar with the fine products of Atom Precision Products, 1030 Engracia, Torrance, but many of us who live here don't realize that we have a highly specialized and unusual business in our midst. Atom Precision Products is the only shop to have a constant temperature room equipped with everything for inspection. They are certified for A.S.M.E. pressure vessel, and by the Air Force and the Navy. They are prepared to do fabrication and pre-fabrication, and any kind of certified welding and machine parts. Owners Ray M. Stevens, Jan Stevens and Marty Stevens started this specialized business in December, 1958, and it has grown steadily ever since. They now employ a staff of 12, and have two shifts working six days a week. Ray Stevens is an engineer and estimator. He lives in Torrance and is a member of the Chamber of Commerce and a Shriner.
